Summary: Poor Vegeta, all this torment from the princess...don't you just love it?!?!?

1. Vegeta's Little Problem

Vegetas' Little Problem

>
"Vegeta, lets take a break its lunchtime", Goku said to his short tempered

>sparring partner.

>"Ok Kakkarot", Vegeta said.

>Vegeta flew home and ate. He finished his lunch early decided to watch tv
until Goku got there. He was flipping channels. He decided to watch Star

>Wars. He was trying to figure out Han Solos power level when suddenly a face
appeared on the screen. Vegeta tried to change the channel, but it didnt

>work. Then he tried to turn it off. It wouldn't go off as you pretty much
guessed.

>
"What the hell?" Vegeta said as the person on the screen started talking to

>him.

>"You dont remember me,do you?" she said.

>"I have no idea who the fuck you are, but if you dont get off my tv screen
i'll blast you to the next dimension!! I'm watching Star Wars!!"

>
"My name is princess alina and I've come to get revenge on you for

>destroying my planet."

>"Yea I remember now. Nappa and I were sent to claim your planet for Freeza.
Your race had put up quite a fight so the only way to get rid of all of you

>was to destroy your planet." said Vegeta.

>"I was the only one who survived. I was sent into space by my father so I
wouldn't be blown up with the rest. Now your gonna pay for killing my

>father." said the princess.

>Vegeta got knocked unconcious. He woke up an hour later.

>"What happened to me?" he said to himself. He looked around. He was on the
couch but it looked humongous to him. He looked in a mirror across the room

>and almost screamed. He was 3 inches tall.

>"That damn fairy shrunk me!!! When I'm my normal size that princess is gonna
die!!!" He screamed. "I've got to find Bulma. O great shes in her little lab

>room!!! Shes the only one that can unshrink me,though."

>Suddenly Trunks and Goten go in the living room and hop on the couch. Trunks
accidentally sat on his dad. Vegeta finally got out from under Trunks.

>
"Note to myself, kill the kid." Vegeta said under his breath. "1st, got to

>get to Bulma." He flys off to the lab.

>Trunks sees his dad flying and thinks its a bug.

>"Goten theres a bug in here we better kill before kassan(did I spell that
right??)goes nuts."

>
"Good idea." says Goten."Lets try to zap it."

>
They shot little ki blasts at the mini Vegeta and hit him. It didn't do

>anything to him though. Vegeta went super saiya-jin.

>"Did that bug just turn super saiya-jin???" asked Goten.

>"I-I think so." replied Trunks

>They went up close to it and realised the horrible truth of what they've
done.

>
"O my Kami,it's Tousan!!!!."

>
"Are you serious,Trunks??" said Goten

>
"Uh-oh, we're in trouble. He dont look too happy . How'd you shrink anyway

>tousan??" said Trunks.

>"Long story." Vegeta said as he powered down."Take me to Bulma so I can get
unshrunk and I wont blast you to only Kami knows where!!!"

>
Then Goku came in the house.

>
"Hey! Is Vegeta ready to go sparring???" said Goku with his usual retarded

>grin.

>"Uh...actually he cant go sparring right this moment...he kinda...uh...
shrunk." said Trunks.

>
Goku burst out laughing when he saw Vegeta. His face turned red and rolled

>on the floor laughing. He couldn't help it.

>"Shut up Kakkarot,you low class baka." said Vegeta."Now go find Bulma!!"

>Trunks took Vegeta to Bulma and she burst out laughing. When she stopped she
put him in a machine and he was back to his normal size.

>
"That damn princess is going to hell!!!" screamed Vegeta.

>
He went off to find her and he did. She hid from Vegeta pretty well. She got

>blasted too hell. Then they all lived happily ever after. Except for the
princess of course. Vegeta didn't live happily either 'cause he never

>figured out what Han Solos power level was.

>

2. Vegeta's Hair Problem

Vegetas Hair Problem(sequel to "Vegetas Little Problem")

>
Authors Note: I'm gonna dedicate this story to Mike Steele for giving me the

>idea!! Thanks!! You're gonna love this.

>"I did it!! I did it!!" screamed Vegeta.

>"What did you do Veggie-chan???" asked Bulma.

>"I figured out Han Solos power level!!!" he screamed victoriously."Its only
19!!!"

>
"Whatever." said Bulma wishing she had not asked.

>
Later that day...

>
"I'm going to train in the gravity room!" shouted Vegeta.

>
"Ok just dont break it again." replied Bulma.

>
"Whatever,woman."

>
He was training when suddenly the gravity room shut down. Vegeta could'nt

>figure out what happened until he saw the stupid princess from the last
story.

>
"Holy Kami damned shit to heaven and back!! I swear I blasted your little

>ass to hell!!!" screamed Vegeta.

>She didnt say anything and blasted something at Vegeta. That was the last
he remembered...

>
He woke up thinking he was shrunk again. He wasnt though.

>
"What the hell did she do to me this time." he said to himself.

>
He felt the top of his head. He screamed VERY loud. He expected to feel his

>hair that shot up a foot high. But he didnt. He was bald.

>He ran into the bathroom and his eyes got so wide it aint funny (thats
probably pretty damn wide for Vegeta). He could'nt believe one of the only

>things he truely loved was gone. His hair was his pride and joy.

>"Bulma help!!!!!!!!!!!!!!" Vegeta screamed as loud as he could.

>"What happened now???" she asked.

>She saw Vegeta and she was laughing so hard her face turned bright red and
she was rolling on the ground crying w/ laughter.

>
"Shut up woman and get my damn hair back!!!"

>
"I cant." she said trying to calm down.

>
"You what?!?!?!?" Vegeta screamed.

>
"The only way to get your hair back is too wish for it w/ the dragonballs.

>We only have 6 of the balls. I still gotta get the 7th."

>"Then get it already!!!" he screamed.

>Then Trunks came in and laughed twice as hard as Bulma did.

>"WHAT ARE YOU LAUGHING AT BRAT!!!!!!!!!!!!!!" Vegeta screamed louder than he
ever had before. This shut Trunks up quite quickly. Then Trunks left. Bulma

>was already gone to find the last dragonball.

>Unknown to Vegeta, Trunks went to tell everyone what happened to his
tousan.
Trunks got to the Son house,busted in the door, and
screamed
>
"Tousans hair fell out!!Tousans hair fell out!!!"

>
"Wha???" asked Goku "Ha ha ha ha ha ha ha ha ha ha ha ha
ha ha ha ha
>ha ha!!!!!" he

laughed.
>
Bulma got home w/ the last dragonball. She summoned the Eternal
Dragon.
>
"What is your wish." he said w/ his usual booming voice.

>
"I wish for Vegeta to get his hair back!!" shouted Bulma

>
"It cannot be done. He must stay like that forever!!!! Bwa ha ha
ha ha!!!!!"

>
"Nooooooooooooooooooooo!!!" screamed Vegeta.
>
"Wake up you baka your screaming in your sleep." said Bulma.

>
"Huh?? It was all a dream?????"

>
Vegeta ran in the bathroom and his hair was there still standing
a foot tall
>(he truly couldn't be Vegeta if I actually took away his one meaning
in
life). Then he looked close and screamed...

>
"AHHHHHHHHHHHHH!!!Split ends!!! Wheres the hair gel?????"

>
THE END
>
Mike Steele eat your heart out (Just kidding)

3. Vegeta's Major Problem

Vegetas Major Problem

>
Authors Note: I know what you're thinking...not her again...well
yep...her
>again!!! I love torturing Vegeta w her...
>
"One of these days Im eventually gonna beat you in a sparring
match kakka-"
>Vegeta was saying as he went unconcious.

>"In your dreams." Goku said under his breath.

>Goku carried Vegeta home. Bulma gave him a senzu bean when he got
there. He
was back to perfect health(what did you expect to
happen????). He went to
>watch TV. He flipped channels till he saw a show where there was
this girl
wearing her hair in the weirdest way in the shortest
skirt you've ever seen.
>There were 4 other girls w her. There was also a guy in a tuxedo
throwing
>roses everywhere and 2 talking cats.(I wonder what this could
be...)He
thought it looked...interesting.
>
Suddenly there was a big flash of light. Vegeta saw some figure
standing in
>front of him. Im sure you can guess who it is by now.

>"What are you supposed to be anyway?? Some
fairy-devil-Vegeta-tormenter????
Just leave me alone!!!!!" Vegeta
screamed at the princess.
>
That was the last thing he could remember...
>
"What the hell did she do to me now?????" he asked himself. He

was feeling...
>sorta...fuzzy. He had been turned into some kind of an animal. He went to
a mirror and saw...a black bunny.
>
"NOW SHES REALLY GONNA PAY!!!!" he roared.
>
"Oh boy a bunny!!!" Bra exclaimed
>
'What a weird looking bunny' she thought.'The hair on top of his head sticks
>up kinda like Tousans.O well. Maybe Kassan wil let me keep him.'

>"Ive always wanted my very own little bunny rabbit. Ill love him and hug him
and squeeze him and brush him and feed him and call him George." she said.
>
Bra was squeezing Vegeta so hard he couldn't say anything. When she finally
>let go...

>"BRA!!!! IM NOT A BUNNY RABBIT!!!! ITS ME!!!!!! VEGETA!!!!!!" he shouted at
her.
>
"Tousan?????" she exclaimed in surprise."Im gonna call Pan and tell her!!!"
>
"No dont call her and tell her!!! Ill buy you a real bunny rabbit if you
>take me to Bulma right now!!!"

>"Yea!!" she said as she picked up her bunny Tousan.

>"Kassan!! Daddys turned into a bunny rabbit!!!" shouted Bra when she got in
the kitchen.
>
"Wha?????" Bulma asked. Then she saw Vegeta. She burst out laughing.
>
"I cant wait to tell Goku and Chi Chi..." she said to herself.

>
Luckily Vegeta didnt hear Bulma.
>
"Change me back woman." Vegeta said.
>
"I will but first I gotta do something..." she said running to the phone.
>
"O NO YOU DONT!!!" he said going SB1 (Super Bunny Level 1 instead of Super
>Saiya-jin level one. Just imagine the black bunny turning blonde.). He flew
off after her. But it was too late. She was on the phone w/ Goku yelling
>
"Vegetas a bunny!!!!Vegetas a bunny!!!!"
>
Vegeta could hear Goku laughing on the phone. She hung up and he zoomed
>toward about to zap her w something.
>
"Dont you dare or you're a bunny for life." she said to him. That stopped
>him.

>They went and changed him back. He went off, found the princess,and this
time blasted her to hell. The next day he was sparring w/ Goku when...
>
"Hey look Im Vegeta!!!! Ha ha ha!!!"said a guy wearing a bunny suit.(I had
>to add that)

>Vegeta recognized the voice and roared...

>"Piccolo you're gonna die!!!!!!!!!"

>Vegeta chased Piccolo and punished him. At home...

>"Dad are you watching Sailor Moon???" Trunks asked Vegeta.

>"Uh...no." he said as he changed the channel.

>"Ha ha ha ha ha. I cant wait to put this on my website!!!!Uh-oh..."

>"TRUNKS YOU'RE GONNA DIE IF YOU DO!!!!!!!!!!!!!"

>The End <p><p>

4. Vegeta's Gigantic Problem

Vegetas Gigantic Problem

>
Authors Note:This might be the last one w/ the princess in it.I said MIGHT. I

>doubt it though. Yall are gonna love this story...

>2nd Authors Note:Vegeta has his tail in this story.

>"I dont wanna." Vegeta said.

>"Too bad. You're gonna do it and you're gonna do it NOW!!!" Bulma screamed.

>"Cant make me,woman." he said back.

>"Fine. If you dont you cant sleep w me for a month." Bulma said.

>
"You would'nt."

>
"I would. I can live live sleeping w/ out you for a month.

Unfortunately...

>you cant." she said smiling at him.

>"Fine Ill do it. But only this once." Vegeta said apparently annoyed.

>He went off to clean the toilet. He was cleaning it when...you-know-who
showed up.

>
"Not you again. HOW MANY TIMES DO I HAVE TO KILL YOU!!!!!!!" he shouted

>shooting a ki blast at the princess. It missed and he was knocked out.

>He woke up feeling somewhat weaker than usual. He went to look in the mirror
and he looked normal. He examined his whole self and noticed his tail was

>gone. He ran outside and tried to fly. It failed. He started to panic. He
kept jumping up and down trying. He even started to flap his arms around

>like a bird. Then he tried to shoot a ki blast. Nothing. He even tried to go
super saiya-jin. He could'nt.

>
"BULMA HELP!!!!!!!" he shouted.

>
She took a blood sample from Vegeta and tested it. Vegeta sat on the couch

>and waited...and waited...and waited. Soon he fell asleep. About 5 hours
later Bulma had the results.

>
"Vegeta..." Bulma said. No response.

>
"Vegeta!" still no response.

>
"VEGETA!!!!!!!"

>
"Huh? What? Oh,hi woman."

>
"Ive got the results." Bulma said."The results are you have no saiya-jin DNA

>. You're a human."

>"NOOOOOOOOOOOOOOOOOOOOOOOOO!!!!!!" Vegeta screamed."THIS CANT BE POSSIBLE!!!THAT
STUPID PRINCESS IS GOING TO ANOTHER DIMENSION!!!!!!!"

>
"Vegeta calm down. Ill get Goku to get the dragonballs. Then we'll wish for

>you to be a saiya-jin again."

>"WHAT WILL I DO TILL THEN?!?!?!" he roared.

>"Wait." she said.

>"Ok..." he replied trying to calm down.

>Bulma called Goku and told him. Of course...faster than you could say
"Piccolos wearing a bunny suit"(I had to add the bunny suit somewhere)the

>whole Z gang knew about it.

 >The next day...

 >"Hey Vegeta! Wanna spar??" Piccolo asked just to annoy Vegeta.

 >"I CANT NOW GO AWAY!!!" he roared.

 >"Ok if you're scared..."

 >"Bring it on." Vegeta said.

 >Piccolo shot a regular ki blast thast would've done nothing to a regular
Vegeta. Of course as human Vegeta it almost killed him.
 >
"I always wanted to do that..." Piccolo muttered to himself while throwing
 >Vegeta a senzu.

 >Piccolo flew away and Vegeta ate the senzu.

 >"When Im a saiya-jin again he'll be second on my 'People to kill' list."
Vegeta said to himself.
 >
Goku arrived back w/ all 7 dragonballs. He summoned the eternal dragon.
 >
"What is your wish???" the eternal dragon asked.
 >
"I wish for Vegeta to be the way he once was!!!" Goku shouted.
 >
"It shall be done."
 >
Vegeta felt much stronger. He went outside and flew around.
 >
"I CAN FLY AGAIN!!!! IM NOT A PATHETIC HUMAN ANYMORE!!!!!!I CAN SHOOT KI
 >BLASTS!!!! AND MY TAIL!!! MY WONDERFUL TAIL I MISSED YOU SO MUCH!!!!

 >Bulma and Goku stood and watched in shock. They never had seen him act like
this before. He saw them and calmed down.
 >
"Ahem. Its time to kick some major princess and namek butt!!!" Vegeta
 >shouted going super saiya-jin.

 >When he was done he decided to go watch 'I Love Lucy'. He felt a familiar ki
behind the bookcase. He looked and saw Trunks floating at the top w/ a video
 >camera.

 >"And what exactly do you think you are doing?????" Vegeta asked him.

 >"I...uh...bye!" Trunks said.

 >"COME BACK HERE BRAT!!!"

 >The End <p><p>

5. Vegeta's Worst Problem

Vegetas Worst Problem

>
Authors Note:If you thought that "Vegetas Gigantic Problem" was the last you
 >would see of the princess,you were VERY wrong. Why stop a good thing?? Its
been a while since the last story,but I just decided to write another. Let
 >the torture begin!!!

 >"Uh...Bulma??" Vegeta asked.

 >"What??" she asked.

 >"I broke the gravity room again."

 >"You WHAT?!?!?!" she screamed at him.

 >"I-."

 >"Im not fixing it again until Im ready too,got it???"Bulma said a little
calmer.

>
"But-." he started.
>
"Just go do something."she said
>
"But-."
>
"GO!!!!!"she yelled.
>
"Ok..."
>
Vegeta went in the other room. Guess who was there...

>
"Not again!!!! Why dont you just jump off a cliff." Vegeta said to her.
>
"Why dont you???" she asked.
>
"Do you have anything better to do besides torture me??"

>
"No." she said knocking him out yet again...
>
"Here we go again." he said waking up."I dont wanna know what she did this
>time."

>He went and looked in a mirror. When he saw what he looked like,he screamed
louder than he ever had before. It was the worst thing to ever have happened
>to him. He could'nt believe it. She could've shaved his head,destroyed the
gravity room permanently,made Goku twice as strong as he his,take his Piccolo
>Poker,zap him a million times,and stuff Bulmas cooking into his mouth.
Anything was better than what she did too him.He had been turned into
>Chaotzu.

>"Bulma!!!" he yelled.

>"O hi Chaotzu." she said coming in the room.

>"Its me Vegeta!!" he said.

>"Sure you are." she said.

>"But it is me!!!" he yelled.

>"Ok..." she said leaving the room."I decided not to fix the gravity room at
all."
>
Vegeta flies after Bulma and grabs her by the collar.

>
"You better fix it woman." he said.
>
"It IS you Vegeta." she said.
>
He put her down. Then she rushed away.
>
"Where is she going??" he asked himself. After he thought about it for about
>a minute he realized what she was gonna do."DONT YOU DARE TOUCH THAT PHONE
BULMA!!!!!!!!!!!"
>
He flew in the room and she hung up the phone after telling Chi Chi
>everything. He flew at her.

>"If you touch me your gonna be a certain Nameks dinner." she said. Vegeta
stopped dead cold.Bulma went to start figuring out how to change him back.
>
At the Son house Chi Chi had told the rest of them about Vegeta.

>
"And I thought it was bad when he became a rabbit!!!" Goku yelled laughing.
>
And it figures that the certain Namek showed up at the capsule corp. house.
>Piccolo saw Vegeta and licked his lips. When Vegeta saw Piccolo he flew for
his life. Goku also came in and saw the Vegeta-Chaotzu.

>
"Come back!! I just want to give you a hug!!!!!!" Piccolo yelled.

>
"Im not Chaotzu!!! Im Vegeta!!!" Vegeta yelled.

>
"Thats the worst excuse you've come up w/ yet." Piccolo yelled back.

>
"I cant say your hugging excuse is too good either."

>
Vegeta stopped and fired a final flash at the hungry Namek. Piccolo was now

>fried Piccolo.

>"Feel the wrath of the prince of clown freaks." Goku said.

>"I'll give him a senzu when Im normal again." Vegeta said not hearing Goku.

>"Look at all the little stars flying around my head just like on cartoons."
Piccolo said in this weird drunk sounding voice.

>
"Smile." said Goku pushing the button on his camera."And if you try to attack

>me you know I can eat you Vegeta."

>"I hate being someone elses dinner." Vegeta said.

>"Vegeta!!!Its ready!!!"Bulma shouted.

>Vegeta got changed back too his normal spikey-haired saiya-jin prince self.
He gave Piccolo a senzu bean and told him not to try to eat the prince of

>saiya-jins again or he'll have a one way ticket to another dimension.
Vegeta went and captured the real Chaotzu and ate him for dinner.

>
Later that night when everyone was asleep Vegeta got his teddy bear and

>Sailor Moon. Also for the first time ever Trunks got away w taping his dad

>watching it and put it on his website. Of course when Vegeta discovered
this Trunks was in MAJOR trouble.

>
The End

>

6. Vegeta's Last Problem...And His Revenge

Vegetas Last Problem...And His Revenge

>
Authors Note:I could'nt leave my first series unfinished,could I??? The moment

>we've all been waiting for...the last "problem" and Vegeta's revenge. Im using
Mr.Snuggles from Princess Bra's story "Tea Party Torture".

>
Dusclaimer:The princess and Vegeta's Teddy bear belong to me. Princess Bra

>owns Mr.Snuggles. I dont own DBZ/GT.

>
"Vegeta!!! Come here!!!"Bulma shouted.

>
"What now woman???"Vegeta yelled back.

>
"Could you go get Bra for me so she can come try on this dress I bought her??

>???"she asked.

>"Go get her yourself."Vegeta said. He was playing the Sega saturn against his
teddy bear. Vegeta's little character blew up.

>
"You may have won this time Teddy,but I will eventually beat you!!!"shouted

>Vegeta.

>Teddy said nothing.

>"Yes,I know you've beaten me 20 times but I'll win this time."Vegeta

said
restarting the game.
>
"VEGETA GET HER NOW!!!"Bulma yelled.
>
"Just a minute."said Vegeta.
>
Bulma came in the room and grabbed the plug to the Sega Saturn.

>
"You would'nt!!!"
>
"You better believe I will."Bulma said."Now go!!"
>
"Ok."he said getting up.
>
"What did you say??"
>
"I mean...yes ma'am."
>
Vegeta went up the stairs to Bra's room. He opened the door and the light was
>left on. He looked in the closet for her when he felt a ki rising behind him.
He turned around and saw Bra's doll,Mr.Snuggles,behind him laying on the
>ground.

>"It could'nt have been..."he said.He walked up to the doll and picked it up.
Then he felt a very large ki behind him. He turned around and saw all of
>Bra's dolls floating behind him powering up ki blasts. They all shot and
Vegeta blocked them. The stuffed narwhal tried to stab Vegeta.He could'nt
>blast the dolls to dollie hell bc Bra would hate him for the rest of his
>life. All he could do was run.

>"It's the invasion of the dolls!!!!!"Vegeta shrieked busting out the door.

>"Vegeta,where's Bra???"asked Bulma.

>"Her dolls are alive!!!"Vegeta yelled.

>"And you're nutz."said Bulma."Now go find Bra. I think shes at Pan's house."

>"Whatever. I'll go get her."

>He was about to leave when he noticed he was still holding Mr.Snuggles.

>"Stupid tea infested bear."Vegeta muttered putting it down. Then it started
floating and its eyes glowed red. Vegeta's eyes got as wide as they've ever
>been. There on Mr.Snuggles forehead was a M.

>"You should've listened to Bra and gave me more tea Vegeta."said Majin
Mr.Snuggles as his head turned all the way around.Then it shot a ki blast at
>Vegeta which was easily blocked.

>"If I blast Mr.Snuggles Bra will kill me."

>Then he turned around and could'nt believe what he saw...

>"NOOOOOOOOOOOOOO!!!!!!!!!!NOT TEDDY!!!!!!!!!!!"

>"Hi Vegeta...YAAAAA!!!!!"yelled Majin Teddy.

>Then all the dolls showed up in the room. Then came you know who...

>"It's you!!!!!!YOU TURNED TEDDY TO MAJIN TEDDY!!!!!"

>"All's fair in love and war prince."she said.

>"You...you...poopyhead."Vegeta said.

>"I thought you were the prince of insults???"she asked.

>"No. Im the mighty prince of saiya-jins now UNPOSSESS TEDDY BEFORE YOU GET
YOUR BUTT KICKED TO HFIL!!!!!!"yelled Vegeta.Suddenly he felt himself
>shrinking."Oh crap dont shrink me again."he whined.

>Then a mirror appeared in front of him and he did the Johnny Bravo shriek(tm).

>"How dare you turn me into a teddy bear!!!!"yelled Vegeta. He was a pink
teddy bear w/ a yellow bow tied around his neck and a white tummy and paws.
>
The princess started laughing at him.
>
"This isnt funny!!!"
>
"I want my tea now Vegeta!!"said Majin Mr.Snuggles. All the dolls started
>attacking him and since he was just a teddy bear could'nt protect himself.
Just then Bra came home,the princess left,and all the dolls became normal.
>
"How'd all my dolls get in here????"Bra asked herself. She started picking
>them up then found Vegeta Teddy at the bottom of the pile.
>"A new teddy bear!!!!"shouted Bra.

>"N-n-n-no!!!!Dont!!!!"shouted the Veggie Teddy.But it was too late. Bra had
her arms locked around him. "C-can't breathe."he said trying to break free.
>
"Let's go play tea party w/ Mr.Snuggles!!!!"shouted Bra.

>
"That princess is dead."Vegeta muttered still gasping for air."She sure is
>strong for a 5 year old."
>"Hey!!!You can talk!!!And you sound just like my papa so I'll call you
Veggie!!!"Bra shouted w/ glee.
>
"Great..."Vegeta sarcastically said.
>
"Lets play now."she said dragging him in her room.

>
"Listen to m-ergh."he tried to say as she stuffed the cup in his mouth.
>
"Now drink it all up."Bra said going to get the 'cookies'.

>
"Hey...this is pretty good..."Vegeta said drinking the imaginary tea.
>
"Vegeta..."
>
"Huh???"
>
Majin Mr.Snuggles was standing in front of him w/ a ki blast.

>
"Mommy."squeaked Vegeta. Majin Mr.Snuggles started chasing Veggie...I mean
>Vegeta.
>"Im back."Bra said in a sing song voice. Mr.Snuggles was on the floor and
Vegeta was flying toward the wall when she came in.

>
"Veggie!!!What happened???"
>
"Mr.Snuggles is evil!!!!!"shouted Vegeta.
>
"Veggie,he cant even talk. And he isnt evil."pointed out Bra.

>
"He's either evil or had a little too much tea."mumbled Vegeta."Anyway,Bra
>I have to tell you someth-::chokes::."
>"I wuv you Veggie!!"Bra said squeezing him again.
>"Yea,you too but-"
>"You need some more tea."Bra said."I wonder where papa is..."

>"I know where papa is..."said Vegeta."Now LISTEN TO ME!!!!!"

>"Ahhhh!!"Bra yelled scared half to death."You hurt my papa!!!"

>"No,Bra.I am your papa."

>"NOOOOOOOOOOOOOOOOO!!!!"(I just watched star wars).

>"Now Bra take me to Bulma."Vegeta said.

>"You not tousan. Tousan calls her onna(woman)all the time."Bra pointed out.
"Stop bossing me around!!!!WAAAAAAAHHHHH!!!!"Bra started crying.
>
Of course,this was Vegeta's weakness.
>
"No!!Dont cry.Im sorry princess."Vegeta said.
>
"You are papa!!!"and w/ that took him to Bulma.

>
"Kassan???"Bra called opening the lab door.
>
"Bra???What is it honey???"Bulma asked turning around."Ive never seen that
>doll before."

>"It's papa."Bra said.

>"What about him???"

>"No.The teddy bear is papa."Bra said handing Vegeta to her.

>"No this is a teddy bear."Bulma said.

>"It's me now change me back onna!!!!!"he screamed which scared Bulma half to
death.Bulma smirked(now THATS different...).
>
"I'm sure that pink shirt isn't looking as bad now is it Vegeta???Being pink
>and all..."

>"Shut up woman!!!"Vegeta yelled.Then the door opened and closed. All 3 of
them looked but there was nobody there.
>
"Wait a minute..."said Vegeta. He turned around and it was...Majin Teddy and
>Majin Mr.Snuggles.

>"TEDDY!!!!!!!!!!!!!"shouted Vegeta.

>"MR.SNUGGLES!!!!!!!!"yelled Bra.

>"Weird..."said Bulma.

>Bra and Bulma ran away and the princess showed up.Vegeta looked around and
the machine that turned him back everytime. He lunged for the control panel,
>set it for 'change back',and jumped in closing the door behind him. And he
came out...
>
"Im normal!!!Yea!!!"Vegeta shouted jumping up and down.Then he glared at the
>princess and noticed something in her hand...it was a magic wand(I didnt know
what else to say).Vegeta kicked her hand and grabbed the wand.
>
"Heh heh heh..."he laughed after turning the dolls to normal. He decided to
>get revenge...

>First Vegeta shrunk her for a few days,then made her bald permanently,turned
her to a bunny a few more,then human,and finally Chaotzu.
>
"Come back Chaotzu!!!!I just want a hug!!!!!"shouted Piccolo

>
"Help!!!!!"she yelled.
>
Piccolo caught her and ate her. She never came back again.But...thats not the
>end of the story...not yet...
